| Jacket Color | Red |
| Conductor Color | White, Black, and Green |
| Conductors | Annealed Pure Copper |
| Jacket Rating | SJT |
| Volt | 100-250V |
| Temperature Rating | -20°C to 105°C |

About Us:

Proline Options is one of North America's leading providers of transceivers and high speed cabling. With a reputation for quality, tested products that cover the connectivity spectrum, Proline Options has a solution for you regardless of the specification.

At Proline Options, every product is tested in its intended application - never batch or spec tested only. We run bandwidth, distance and IOS network tests. We have documented an impressive 0.03% failure rate over the last 10 years. To continue this rate of success we invest millions annually in our own on-site testing lab.
